

Welcome to our 2009 Seminar Series!

The Wisconsin Association of Accountants is sponsoring eleven different seminars this season. We start off with our spring and summer seminars which include three different seminars: technology; partnerships; and depreciation. In September, we kick off our fall series with the annual WAA Convention in La Crosse, WI featuring two more seminars: life estates; and ethics and business returns.

In October we will offer our Federal Tax Update seminar and in November we offer two seminars: Gear Up 1040 (2 different locations); and Gear Up Business Entities. Lastly, December brings Bob Jennings 1040 Update; and 1120, 1120S, 1065.

For detailed information regarding our seminars and registration go to our website www.waainc.org

You can register online, mail or fax.

We look forward to serving you with our seminars in 2009!

Thank you,
